The screenshot shows a web-based real estate listing interface. At the top, there's a navigation bar with tabs: Building, Residences, Amenities, Materials, Neighborhood, and Availability. Below the navigation bar, a large image of a building is displayed with the caption: "A modern revival of a building more than a century old." Underneath the image, a small text snippet reads: "On a cobblestone street in prime DUMBO territory stands 81 Washington, a". To the right of the main content area, there's a sidebar with promotional text: "Check out our new features! Point-specific image discussions #comment points". Below that, a call-to-action button says "Like it? Help us spread the word!" and "Give us a 5-star rating".
